

**DON'T MESS WITH  
THE PERMIAN**

# TRASH CLEAN-UP

JOIN US TO KEEP OUR COMMUNITY WASTE FREE!

**FRIDAY, APRIL 26, 2024**

**Don't Mess With The Permian** will be unifying and beautifying the community in a spring clean-up initiative. Litterers still roam the roadways, tossing trash out of car windows and letting garbage fly out of truck beds. We're talking cigarette butts, fast food wrappers, receipts, and more. They might be small, but they are still trash and destroying the community. Waste is something each individual can personally address, and every piece of trash we pick up helps to clean up our community.
